

## The ToolVest, #94350

Be seen in our ToolVest.

Now with front and rear reflective bands and florescent panels, the ToolVest makes you visible in a busy work environment while keeping your most needed tools, close at hand.

The ToolVest features are--

- 20 easy-to-reach tool pockets
- 7 fluorescent orange, flap-covered pockets, three on the right and 4 on the left.
- Pocket flaps are made from fluorescent orange, 1000 denier Dupont Cordura®
- 14 quick-access, uncovered pockets
- Large, fluorescent orange rear pocket, accessible from both right and left sides
- 2 adjustable, quick-release buckles on each side, 4 in all, for a perfect fit over summer and winter wear.
- Heavy-duty zipper to make it easy to put-on and take-off
- Built upon a rugged, black nylon mesh frame for superior ventilation and air circulation
- Reflective bands at the base and mid chest, both on the front and rear of the ToolVest, make you easily visible at night
- Dimensions: Chest and waist: up to 62 inches
